2nd Grade
Weekly Report

Week of November 16th to 20th

OUR LEARNING

MATHS: During this week, we identified, described, classified, named and sketched 3D shapes, prisms, pyramids and we recognized pictures, drawings and diagrams of 3D shapes, we estimated and measured length in centimeters, meters and kilometer and we understood that perimeter in the total distance around a 2D shape.

ENGLISH: This week we practiced and took our solemn test. We asked and gave personal information. We reviewed vocabulary and prepositions of place.

SCIENCE: We reviewed and remembered five senses, food pyramid, the Earth and the Moon contents.

HUMANITIES/SOCIAL SCIENCE: Esta semana reconocimos y recordamos características de los pueblos originarios del centro. Además, representamos creativamente sus características.

LENGUAJE:
Durante esta semana, realizamos un repaso de contenidos y rendimos la evaluación trimestral. Además, recordamos el propósito y las principales características de la fábula, como preparación para la creación de nuestros propios relatos.

COMPUTING: Pasamos a Excel nuestra recopilación de datos de niveles de ruido.

OBSERVATIONS/REMINDERS
