2nd Grade
Weekly Report

Week of November 9th to 13th

OUR LEARNING

MATHS: During this week, we identified, described, classified, named and sketched 3D shapes, prisms, pyramids and we recognised pictures, drawings and diagrams of 3D shapes.

ENGLISH: This week we read and understood a story called "City mouse and country mouse". We practiced and had our Time For English presentation.

SCIENCE: We investigated how exercise affects the body. Also, we explained how a balanced diet, water, exercise and sleep contribute to a healthy lifestyle.

HUMANITIES/SOCIAL SCIENCE: Esta semana reconocimos y recordamos características de los pueblos originarios del norte. Además, representamos creativamente sus características.

LENGUAJE: Durante esta semana, finalizamos la escritura de nuestras infografías. Además, realizamos el primer repaso de contenidos para la prueba trimestral.

COMPUTING: ¿Que son los dispositivos de salida? Vemos ejemplos de los más comunes.

OBSERVATIONS/REMINDERS

Enjoy your weekend!

Miss Evelyn
