

1st grade Weekly Report

Week of April 20th – April 24th

OUR LEARNING

MATHS

During this week, we identified, described and sorted 2D shapes; we identified 2D shapes in familiar objects, explored patterns using shapes; we recognised horizontal and vertical lines of symmetry and we identified right angles and quarter turn.

ENGLISH

Change of activities: Book week.

LENGUAJE

Esta semana aplicamos la prueba del libro "Humberto". Además, reconocimos en forma oral y escrita la letra "d". Finalmente, reforzamos la lectura y escritura de las letras vistas.

SCIENCE

We checked habitats and identified animal body parts.

COMPUTING

Creamos algoritmos simples con las 4 direcciones básicas (adelante, atrás, izquierda derecha).

OBSERVATIONS/REMINDERS

No olviden prepararse para las evaluaciones!!

IMPORTANT DATES

April 29th: Lenguaje TERM TEST
May 1st: Labor day (no classes)
