

1st Grade Weekly Report

Week of August 25th to 29th

OUR LEARNING

MATHS: During this week we used tally charts, pictograms, Venn and Carroll diagrams to create and collect data.

ENGLISH: This week, we continue reviewed prepositions and had our Term Test

SCIENCE: This week we identified conductors and insulators materials.

LENGUAJE: Esta semana aplicamos la prueba trimestral. Además, identificamos la consonante z, con la que trabajamos la lectura y escritura.

HUMANITIES: This week we learnt activities that kids did in the past and compared them to the ones kids to nowadays.

COMPUTING: Salida Pedagógica

OBSERVATIONS/REMINDERS
