

1st Grade Weekly Report

Week of July 14th to 18th

OUR LEARNING

MATHS: During this week we solved word problems using multiplications with arrays.

ENGLISH: This week, we learnt new CVC words with Short O. We practiced writing the words in our notebooks.

SCIENCE: We learnt about appliances we daily use and what we CAN'T do regarding electrical devices.

LENGUAJE: Esta semana identificamos en forma oral y escrita la letra "r". Además, reforzamos la lectura y escritura.

HUMANITIES: This week we learnt about food from the past. We compared food from past and food from nowadays. We identified some ingredients.

OBSERVATIONS/REMINDERS

El día lunes se recibirá el primer avance de nuestros proyectos para Science Fair los cuales serán revisados y devueltos el día martes.

UPCOMING TESTS

Thursday 24th – English test
