

1st Grade

Weekly Report

OUR LEARNING

MATHS: During this week we grouped objects to discover how many groups of 2, 5 or 10 there are, we recognized the division sign and we solved "real-life" problems by grouping.

ENGLISH: This week, we learnt common present continuous forms to talk about what is happening now.

SCIENCE: This week we had our science presentation and we continued practicing for the science fair.

LENGUAJE: Esta semana repasamos los contenidos vistos. Además, aplicamos la evaluación correspondiente a la Unidad 1 y 2. Finalmente, identificamos en forma oral y escrita la letra "V".

HUMANITIES: This week we started learning about how people communicated in the past using the following vocabulary: cave drawing, symbol, picture message, story.

COMPUTING:

Hemos realizado una actividad en la aplicación Scratch Junior, en donde los estudiantes tuvieron que seguir instrucciones escritas y visuales para así crear sin ayuda del teacher un pequeño programa con movimientos básicos.

Week of July 28th to August 1st

OBSERVATIONS/REMINDERS

El próximo viernes 8 de agosto celebraremos Children's Day.

Ese día tendremos una ¡Pijamada Real! Para que recuerden enviar a sus niños y niñas con pijama y una mantita. Además, ese día la jornada termina a las 13:00hrs.

UPCOMING TESTS

Thursday 7th – Maths test
