

1st grade Weekly Report

Week of June 8th - June 12th

OUR LEARNING

MATHS

During this week, we had the first test of the ongoing term. In addition, we counted objects in groups and used diagrams to solve multiplication problems with repeated addition.

ENGLISH

We worked with different concepts related to the senses (ex: sweet, salty, long, short, big, small), and describing objects in general.

LENGUAJE

Esta semana repasamos la lectura y escritura con las letras B - H. Además, identificamos palabras sinónimas y antónimas para ampliar nuestro vocabulario.

SCIENCE

We worked with the concepts: lights, dark, how shadows are made, the colours we can see at night.

COMPUTING

Creamos movimientos con saltos en el programa Scratch Junior.

OBSERVATIONS/REMINDERS

Por favor, marcar la ropa de los estudiantes con nombre y apellido, todas las prendas de vestir que traigan al colegio.

IMPORTANT DATES

June 16th: Assembly.

June 19th: Science Test.
