Weekly Report

Week of March 30th – April 2nd

OUR LEARNING

MATHS

During this week, we compared 2-digit numbers, we used ordinal numbers and we understood that addition is the opposite to subtraction.

ENGLISH

We practiced the alphabet and identified family members (dad/father, mom/mother, sister, brother, grandma, grandpa).

LENGUAJE

Esta semana realizamos la prueba del libro "El gran oso blanco". Además, reconocimos en forma oral y escrita la consonante "l".

SCIENCE

We identified the characteristics of living and non-living things.

COMPUTING

Creamos algoritmos de movimiento usando pensamiento lógico.

OBSERVATIONS/REMINDERS

No olvidar marcar la ropa de los estudiantes.

IMPORTANT DATES

April 6th: Easter celebration.

April 8th: Maths Olympiads

April 9th: Humanities test.
