

1st Grade Weekly Report

Week of November 3rd to 7th

OUR LEARNING

MATHS: During this week we took the second Maths test in the current term, we looked at patterns in chance experiments and we investigated chance and records the results.

ENGLISH: This week, we continue learning words with long "e" and how to pronounce "ee". Also, we learnt how to describe objects.

SCIENCE: This week we continued working on our plants, recording the process and doing a second experiment to compare.

LENGUAJE: Esta semana trabajamos la comprensión lectora a través de una receta. Además, reconocimos en forma oral y escrita con los grupos consonánticos: gl, gr, tl, tr y dr.

HUMANITIES: We learnt different zones in Chile and the climate

COMPUTING: Presentamos a los alumnos el integrar letras en negritas, cursiva y subrayado

OBSERVATIONS/REMINDERS
