

2nd Grade Weekly Report

Week of August 31st to September 4th

OUR LEARNING

MATHS: During this week, we used the four compass points to describe position, direction and movement and we sketched reflections of 2D shapes.

ENGLISH: This week we compared ants and spiders. We wrote and completed WH questions and identified words with short and long /e/ spelling.

SCIENCE: We identified the Moon as Earth's natural satellite and recognized that the Moon changes its appearance. We remembered the eight phases.

HUMANITIES: This week we described what children's daily lives were in the past and compared them with children's lives today. Also, we described some roles of men and women in the past and compared them with roles today.

LENGUAJE: Durante esta semana, aplicamos estrategias lectoras en el libro Test Santillana. Además, repasamos los contenidos vistos en el trimestre. Finalmente, realizamos la prueba trimestral.

COMPUTING: Explicamos la habilidad de motricidad fina y como se relaciona con el uso de un computador.

OBSERVATIONS/REMINDERS
