

2nd Grade Weekly Report

Week of July 20th to 24th

OUR LEARNING

MATHS: During this week, we recognized multiples of 2, 5 and 10 and the relationship between them, we counted in steps of the same size, we understood the relationship between the 3 and 6 times tables and we learned the 9 times table.

ENGLISH: This week we identified past simple verbs and structure. Also we took our evaluation.

SCIENCE: We remembered information about friction, gravity and force. We learned and identified poles of magnets and which materials are magnetic.

HUMANITIES: This week we understood the history of communication and we took our evaluation.

LENGUAJE: Durante esta semana, aplicamos estrategias lectoras en el libro Test Santillana. Además, repasamos las características de una receta y elaboramos una. Finalmente, realizamos un repaso de contenidos.

COMPUTING: Integramos nuevos bloques a nuestro programa (Repetir, Esperar y Velocidad).

OBSERVATIONS/REMINDERS

Se solicita devolver las carpetas enviadas a casa, ya que su propósito es transportar material y guías entre el colegio y el hogar. Las **evaluaciones** son para revisarlas en familia y **deben permanecer en casa**; solo es necesario devolver las **guías de trabajo** dentro de la carpeta.

Enjoy your weekend!
