

2nd Grade Weekly Report

Week of June 22nd to 26th

OUR LEARNING

MATHS: During this week, we understood the relationship between the 5 and 10 times tables and the relationship between the 2, 4 and 8 times tables.

ENGLISH: This week we read and wrote about the Sun, Earth, Moon and stars. Also we practiced and had our British Fair.

SCIENCE: We learned about push and pull forces, what is a forcemeter and force of gravity.

HUMANITIES: This week we explained how and why people save money.

LENGUAJE: Durante esta semana, aplicamos la prueba del libro "Caperucita Roja y abuelita, detectives privados". Además, identificamos el propósito y características de un texto instructivo. Finalmente, trabajamos en la planificación y escritura de uno.

COMPUTING: Desafiamos a los alumnos a crear una animación de baile en el programa Scratch Junior.
