

2nd Grade Weekly Report

Week of June 8th to 12th

OUR LEARNING

MATHS: During this week, we had the first test of the ongoing term. In addition, we understood the relationship between multiplication and division.

ENGLISH: This week we identified words with long vowel sounds. We learned basic information about the British Crown and Buckingham Palace and we took our evaluation.

SCIENCE: We learned about food chains and how the energy moves. Also, we explored fossils.

HUMANITIES: This week we understood the difference between needs and wants.

LENGUAJE: Durante esta semana aplicamos estrategias lectoras en el libro Test Santillana. Además, identificamos familias de palabras. Finalmente, trabajamos en la escritura de un artículo informativo sobre nuestra fruta favorita

COMPUTING: Completamos una tabla con información en distintas categorías.

OBSERVATIONS/REMINDERS

Recordar traer botella de agua y estuches

Enjoy your weekend!
