

2nd Grade Weekly Report

Week of May 25th to 29th

OUR LEARNING

MATHS: During this week, we estimated quantities, we recognised patterns when counting in steps of different sizes, we recognised and described sequences and we identified patterns with numbers.

ENGLISH: This week we learned about past simple tenses, irregular verbs, body parts and different movements.

SCIENCE: We learned how shadows can change and the function of human organs such as heart, lungs, intestines and brain.

HUMANITIES: This week we identify what we can buy with money, markers in the past and today and understand the relationship between money and jobs.

LENGUAJE: Durante esta semana aplicamos estrategias lectoras en el libro Test Santillana. Además, realizamos la prueba del libro "¿De qué color es tu sombra?". Finalmente, identificamos el propósito y características de un artículo informativo.

COMPUTING: Diseñamos algoritmo de movimiento en un robot digital.

OBSERVATIONS/REMINDERS

World Environment Day

June 5th

Enjoy your weekend!
