

2nd Grade Weekly Report

Week of May 4th to 8th

OUR LEARNING

MATHS: During this week, we identified, described, named and sketched regular and irregular 2D shapes; we sorted regular and irregular 2D shapes; we identified horizontal and vertical lines of symmetry on 2D shapes and we compared angles with right angles. **Also, we had the first term's copybook revision (revisión de cuaderno) according to the criteria of evaluation sent on March 23rd.**

ENGLISH: This week we reviewed prepositions of place, subjects and hour. We took our Term and learned some verbs in past.

SCIENCE: We reviewed the content about ways to separate mixtures, filters elements and soluble or insoluble. Also, we took our Term Test.

HUMANITIES: This week we remembered people who help me, what you like and dislike and identities.

LENGUAJE: Durante esta semana aplicamos estrategias lectoras en el libro Test Santillana. Además, trabajamos la escritura de palabras con las sílabas ge - gi, gue - gui y güe - güi. Finalmente, identificamos el género y número de diferentes palabras.

COMPUTING: Predecir resultados en un algoritmo.
