2nd Grade
Weekly Report

Week of October 26th to 30th

OUR LEARNING

MATHS: During this week, we compared and ordered fractions, we understood that a fraction can be represented as a division and we recognised fractions as operators.

ENGLISH: This week we identified and used words to describe animals in the ocean. Also, we followed and gave directions using a map.

SCIENCE: We applied knowledge about the five senses. We took our evaluation and identified and classified foods into the five main groups.

HUMANITIES/SOCIAL SCIENCE: Esta semana activamos conocimientos previos sobre los pueblos originarios creando un pasaporte.

LENGUAJE: Durante esta semana, aplicamos la prueba del libro "Felpo". Además, repasamos el uso de los pronombres personales. Finalmente, leímos y trabajamos a partir de una infografía.

COMPUTING: Introducimos los sensores como método de ingreso de información.

OBSERVATIONS/REMINDERS

Enjoy your weekend!
