

2nd grade

Weekly report

Week of September 22nd – 26th

OUR LEARNING

MATHS: During this week we added 3-digit numbers by 2-digit numbers using expanded written method and regrouping and also, we added pairs of 3-digit numbers using expanded written method and regrouping.

ENGLISH: During this week we reinforced vocabulary about bugs and insects, we remembered how to ask questions using what, where, how many and who. Also we introduced long e sounds.

SCIENCE: This week we tested friction outside and we observed what happen when there are surfaces with different textures (smooth and bumpy) and we introduced our unit about magnets

SOCIAL SCIENCE: Esta semana recordamos los principales pueblos originarios de las 3 zonas de Chile y reconocimos la forma de vida actual de estos .

LENGUAJE: Durante esta semana repasamos la estructura y propósito de una obra dramática. Además, repasamos los contenidos vistos en la Unidad 3. Finalmente, trabajamos en el libro Test Santillana aplicando estrategias lectoras.

COMPUTING: Comprendimos el concepto de motricidad fina y aplicamos esta habilidad en el manejo del mouse para crear dibujos en Paint, explorando figuras geométricas y el uso de diferentes herramientas.

Miss Carolina Galaz
