

2nd grade

Weekly report

Week of August 11th – 14th

OUR LEARNING

MATHS: During this week we estimated and divided 2-digit numbers by 2, 3, 4 and 5 using arrays and with remainders.

ENGLISH: This week we learnt about taking care of our planet, how trees help us providing food for different living beings and we identified demonstrative pronouns (this, that, these and those)

SCIENCE: This week we reinforced human organs and its functions, lifecycles, group of animals, food chains and fossils and we had our science fair where we explain our experiments.

SOCIAL SCIENCE: Esta semana estuvimos reforzando para nuestra prueba trimestral. Repasamos zonas de Chile utilizando un mapa, reconocimos patrimonios naturales de cada zona y características de cada patrimonio.

LENGUAJE: Durante esta semana aprendimos sobre las palabras compuestas. Además, identificamos la función de los adjetivos y los aplicamos describiendo nuestro juguete favorito.

Computing: Repasamos los bloques anteriormente aprendidos en Scratch Jr. y hemos integrado el conocimiento del uso de los bloques de girar el personaje y saltar, ya que tienen un funcionamiento parcialmente distinto.

Miss Carolina
