

2nd grade

Weekly report

Week of August 25th – 29th

OUR LEARNING

MATHS: During this week we recorded, organised, represented and interpreted data in Venn diagrams, Carroll diagram and tally charts and frequency tables.

ENGLISH: During this week we introduced our new unit about bugs, we described and recognize different insects and its characteristics. Also, we visited the firefighter museum.

SCIENCE: This week we reinforced for our term test we identified lifecycles, we classified materials into transparent, opaque and translucent. Also, we remembered our organs and its functions (brain, heart, lungs, stomach, large and small intestines)

SOCIAL SCIENCE: Esta semana reconocimos pueblos originarios de la zona norte, trabajamos identificando vestimentas, comida y si eran nómadas o sedentarios.

LENGUAJE: Durante esta semana aplicamos la prueba trimestral. Además, trabajamos en la planificación y escritura de un poema. Finalmente, identificamos el signo de exclamación.

Computing: Visita al Museo de Bomberos.

Miss Carolina
