

2nd grade

Weekly report

Week of November 10th – 14th

OUR LEARNING

MATHS: During this week we identified, described, classified, named and sketched 3D shapes (with curved faces, prisms and pyramids)

ENGLISH: During his week we reinforced for our solemn test. We remember how to introduce ourselves and how to give personal information like name, age, where he/she lives, likes and dislikes, among others. Also, they are getting acquainted with the Cambridge International test (starters)

SCIENCE: This week we finished our unit about the moon and earth, also we worked on an investigation about 1 famous astronaut, they researched and created a poster.

SOCIAL SCIENCE: Esta semana identificamos los bienes culturales considerados patrimonios de la humanidad en Chile. También se creó un relato de un inmigrante que llega a Chile e identificamos las razones para emigrar a otro país.

LENGUAJE: Durante esta semana, realizamos un repaso de contenidos y aplicamos la prueba trimestral. Además, continuamos con nuestro trabajo de investigación sobre nuestro animal favorito y lo finalizamos con una presentación oral.

COMPUTING: Discutimos sobre los dispositivos de salida de los computadores.

Miss Carolina Galaz
