

# 2nd grade

## Weekly report

Week of October 20<sup>th</sup> – 24<sup>th</sup>

### OUR LEARNING

**MATHS:** During this week we understood relationship between units, we estimated and used instruments that measure length, we understood that perimeter is the total distance around a 2D shape and can be calculated by adding lengths and we understood that area is how much space a 2D shapes occupies within its perimeter.

**ENGLISH:** During this week we identified city things and places such as, the aquarium, the zoo, skate park, café and park. Also, we are learning to give and follow directions

**SCIENCE:** This week our students understood why the moon appears to change shape and they learnt the different phases of the Moon.

**SOCIAL SCIENCE:** Esta semana identificamos los aportes de los españoles a la sociedad chilena y realizamos la presentación sobre los pueblos originarios.

**LENGUAJE:** Durante esta semana, aplicamos estrategias lectoras en una noticia. Además, identificamos el género y número de las palabras. Finalmente, realizamos la prueba correspondiente a la Unidad 3.

**COMPUTING:** Durante nuestras clases y escribimos los dispositivos de entrada que tenemos en el día a día.

Miss Carolina Galaz
