

2nd grade

Weekly report

Week of October 27th – 30th

OUR LEARNING

MATHS: During this week we estimated and measured mass in kilograms and grams and we understood relationship between units.

ENGLISH: During our week we reinforced simple past, simple present and future. Also, we were celebrating our school's anniversary and practicing for our Time for English.

SCIENCE: This week we reinforced the moon's phases. Also, we learnt that the Moon looks different because of how sunlight shines on it as it moves around Earth.

SOCIAL SCIENCE: Esta semana comparamos e identificamos los primeros y segundos habitantes de Chile. Luego relacionaron cuáles son las características que provienen del mundo indígena y cuáles de los españoles.

LENGUAJE: Durante esta semana, aplicamos la prueba del libro "Felpo". Además, trabajamos la comprensión lectora en un artículo informativo. .

COMPUTING: Creamos un dibujo en Paint en relación al aniversario del colegio.

Miss Carolina Galaz
