## Weekly report

Week of September 8<sup>th</sup> – 11<sup>th</sup>

### OUR LEARNING

**MATHS:** During this week we reviewed main contents for the second term test and we took the maths' second term test.

**ENGLISH:** During this week we reinforced vocabulary about bug and insects, we remembered how to identify insects or bugs and we worked asking questions (what, where, when and how)

**SCIENCE:** This week we introduced the concept of friction, where it happens and what it does. We tested friction in two different surfaces, they move on the floor by sliding their feet on ceramic and cement, then they talk about what happened in each case.

**SOCIAL SCIENCE:** Esta semana reconocimos pueblos originarios de la zona Sur, identificamos estilo de vida, actividad economica y lugares donde se ubicaban.

**LENGUAJE:** Durante esta semana identificamos el propósito y las características de una obra dramática. Además, aplicamos estrategias lectoras en el libro Test Santillana.

**COMPUTING:** Repasamos los principales conceptos vistos este trimestre y comentamos lo que trabajaremos al regresar de vacaciones.
