

3rd Grade Weekly Report

Week of April 6th to 10th

OUR LEARNING

MATHS

During this week, we used mental calculation strategies to add, including money; we used mental calculation strategies to subtract and we took part of the Maths Olympiads.

LENGUAJE

Durante esta semana, leímos un texto informativo e identificamos características de este tipo de texto. Además, aplicamos estrategias lectoras en el libro Test Santillana.

ENGLISH

This week, we started a new unit called “Look again”. Hence, we learned about optical illusions, the use of pronouns (her-him-it-them) and the adverbs of frequency.

SCIENCE

This week, we continue learning about The Earth, but we were focus on “volcanoes” we learned about its features and how it can happen.

SOCIAL SCIENCE

Esta semana revisamos contenidos para nuestra evaluación y realizamos dicha prueba.

COMPUTING

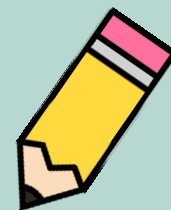

Esta semana creamos algoritmo de movimiento, limitado a 4 movimientos.
