

3rd Grade Weekly Report

Week of March 2nd to 6th

OUR LEARNING

MATHS

During this week we reviewed some of the basic contents in maths in order to have a knowledge about students' learnings. Also, we had the diagnostic test, with questions and exercises related to additions and subtractions, number sequences, fractions, multiplication and division facts and place value.

ENGLISH

This week, we met on each other, we revised ongoing actions and we did our diagnostic test.

LENGUAJE

Esta semana repasamos el abecedario en forma oral y escrita, organizamos palabras en orden alfabético y aplicamos la prueba de diagnóstico.

SCIENCE

This week, we did our diagnostic test.

SOCIAL SCIENCE

Esta primera semana realizamos actividades para conocernos y conversar de nosotros.

INFORMATION

Fechas importantes de la próxima semana:

Jueves 12: reunión de apoderados. 19.00 hrs.

Have a nice weekend!

Miss Valentina
