

4TH GRADE:

# WEEKLY REPORT

Week of March 2nd to 6th

## Our Learning

**Lenguaje:** Esta semana trabajamos la comprensión lectora. Además, repasamos algunos contenidos vistos el año pasado. Finalmente, aplicamos la prueba de diagnóstico.

**Maths:** During this week we reviewed some of the basic contents in maths in order to have a knowledge about students' learnings. Also, we recognised the rules that we will be part of maths' class throughout the school year.

**English:** During this week, we reviewed contents from 3rd grade and we did our diagnostic test.

**Science:** During this week we reviewed contents about energy and we did our diagnostic test.

**Computing:** Realizamos un repaso oral de los contenidos y actividades trabajadas el año pasado, reforzando los conceptos principales para comenzar el nuevo período.
