WEEKLY REPORT

Week of august 18th

OUR LEARNING

MATHS

We revised subtractions using a number line and part-whole diagrams.

ENGLISH

We revised vocabulary about free time activities to support speaking and understanding.

PHONICS

We revised the sight words: I, am, the, not, has, had.

LENGUAJE

Esta semana practicamos comprensión lectora, escritura en manuscrita e hicimos dictados sorpresa.

SCIENCE

We practiced for our test, we identified different types of materials in objects. Sink and float, magnetic and non-magnetic things, push and pull

SEL:

Esta semana conversamos sobre la corteza prefrontal y para qué sirve y como nos ayuda.

VOCABULARY TO PRACTISE

In English, Maths, and Phonics. We focused on revision to prepare for the Second Term Test:

Science:

Materials: wood, plastic, glass, fabric, metal.

Sink, float, magnetic, non-magnetic things

Push and pull

OBSERVATIONS/REMINDERS

Miss Carolina & Miss Josefina
