KINDER

WEEKLY REPORT

Week of august 25th

OUR LEARNING

MATHS

We revised making 10 in addition and subtraction.
We also reviewed 3D shapes and their names.

ENGLISH

We revised vocabulary about sports and food.
Students practiced using this vocabulary in simple sentences.

PHONICS

We started reading mini books that include the sounds we have already learned throughout the term.

LENGUAJE

Esta semana realizamos nuestra evaluación del II trimestre. Escribimos palabras en el riel caligráfico. Comenzamos con otra nueva consonante "D", conocimos sus cuatro formas imprenta, manuscrita, mayúscula y minúscula.

SCIENCE

We practiced for our test, we identified different types of materials in objects. Sink and float, magnetic and non-magnetic things, push and pull

SEL:

Esta semana hicimos una revisión de las tres partes del cerebro que hemos aprendido.

VOCABULARY TO PRACTISE

In **English, Phonics and Maths,** we focus on revision to prepare for the Second Term Test

Science:
Materials: wood, plastic, glass, fabric, metal.
Sink, float, magnetic, non-magnetic things
Push and pull

OBSERVATIONS/REMINDERS

Miss Carolina & Miss Josefina
