WEEKLY REPORT

Week of December 1st

OUR LEARNING

MATHS

We reviewed key contents through Christmas-themed activities, including number recognition, counting, and basic operations in a festive context.

ENGLISH

We worked on Christmas-themed vocabulary and interactive activities. We also practiced the Christmas song for the graduation.

In addition, we created Christmas inspired crafts, developing creativity, fine-motor skills, and following instructions.

LENGUAJE

Trabajamos en nuestro cuaderno cuadriculado, respetando márgenes y ubicación de palabras. Trabajamos comprensión lectora y tuvimos ensayos generales para nuestra graduación

SCIENCE

We reviewed last units.
