WEEKLY REPORT

Week of July 20th

OUR LEARNING

MATHS

We learned how to find the difference between two amounts and practiced subtraction using a number line.

ENGLISH

We finished Unit 5 and started *Unit 6: My Food*. We learned food vocabulary and practiced using the structure "I'd like some...".

PHONICS

We learned the sounds /b/ and /h/ and practiced reading CVC words.

LENGUAJE

Repasamos lectura, escritura en el riel caligráfico, sonidos iniciales y finales, por último, comprensión lectora.

SCIENCE

We identified things that are made of wood, plastic, glass, metal and fabric.

ENTORNO SOCIO CULTURAL

Aprendimos la importancia de las bibliotecas y colegios, cómo ayudan a las personas y a la comunidad.

SEL – MIND UP

Hablamos de la "sorpresa", identificando situaciones en las que puede aparecer y expresándola de diferentes maneras.

VOCABULARY TO PRACTISE

SCIENCE

metal, wood, plastic, fabric, glass

The pencil is made of wood, the table is made of wood.
