WEEKLY REPORT

Week of June 22nd

MATHS

OUR LEARNING

We practiced subtraction using a number line and a part-whole diagram.

ENGLISH

Unit 5: My Free Time. We practiced vocabulary related to free time activities and practiced the structures “I like...” and “We like...” to talk about our preferences.

PHONICS

We learned sounds /e/ and /ck/.

LENGUAJE

Lectura y escritura, sonidos iniciales y finales, por último, comprensión lectora.

SCIENCE

We differentiated between objects that sink and objects that float. We recognized that push and pull are forces.

ENTORNO SOCIOCULTURAL

Conocimos las tradiciones de Chile.

MIND UP / SEL

Hablamos sobre la frustración y como podemos controlarla.

VOCABULARY TO PRACTISE

SCIENCE

the box is made of plastic, the spoon is made of metal, the window is made of glass, the book is made of paper, the pencil is made of wood
