WEEKLY REPORT

Week of March 16th

OUR LEARNING

MATHS

We learned about number zero, more or less, ordering numbers up to 10, and ordinal numbers

LENGUAJE

Practicamos comprensión lectora, sonido inicial y final, vocales y separación silábica.

SCIENCE

We Identified and talked about the sense of taste, touch, sight and hearing.

English

We started using our English books. Students learned about the characters in the book and practiced answering the question "How old are you?"

Phonics

We learned the beginning sounds *t* and *p* and practiced identifying these sounds in simple words.

Comprensión sociocultural

Seguimos trabajando con los roles de la familia.

MATHS

Number 0, more or less, 1st 2nd 3rd 4th etc..

English
