## WEEKLY REPORT

Week of September 22nd

### OUR LEARNING

#### MATHS

We practiced doubles up to 20.

#### ENGLISH

We learned about what plants need to grow

#### PHONICS

We learned the sounds y and z

#### LENGUAJE

Esta semana practicamos con todas las consonantes, escribimos en manuscrita respetando el riel caligráfico, trabajamos con lectura comprensiva y tuvimos nuestro segundo dictado de palabras.

#### SCIENCE

We differentiated and talked about healthy and unhealthy foods. We recognized mixing colors and living-non living things

### VOCABULARY TO PRACTISE

#### MATHS

The double of 2 is 4, the double of 4 is 8 .....

#### ENGLISH

Soil, sun, rain, seed, plants

#### PHONICS

Yo-yo, yolk, yak, yes, yacht yell, zebra, zoo zero, zoo, zookeeper, zigzag

#### SCIENCE

Parts of a plant, flower, stem, roots, leaves

The sun gives us light, heat, food

living thing, non-living thing.

The dog is a living thing / the boy is a living thing / the flower is a living thing

The table is non-living thing / the water is non-living thing / the cake is non-living thing.

-Healthy and unhealthy food

The ice cream is unhealthy/ the broccoli is healthy.

### OBSERVATIONS/REMINDERS

Miss Carolina & Miss Josefina
