Weekly Report

Week of 19th – 23rd October, 2026.

OUR LEARNING

MATHS: This week we introduced number 16, we wrote/counted numbers from 1 to 16 and we practised before and after.

ENGLISH: During this week, learnt how to identify and use our 5 senses. We recognise how to use each sense in different daily situations (I can smell grass with my nose, I can touch a cat with my hands, I can hear a bird with my ears, I can taste a lemon with my mouth, I can see a ball with my eyes)

PHONICS: This week we reinforced letter I and N (upper and lowercase) and we are practising for our Time for English.

LENGUAJE: Esta semana asociamos grafema P- p a su correspondiente fonema, practicamos silabas PA- PE- PI – PO AND PU. También aprendimos a los articulos LAS and LOS junto con el sustantivo correspondiente y escuchamos una historia para luego responder preguntas.
